

HERE'S the SCOOP

December 18-22

Look What We're Learning

Fourth grade is participating in "behavior booster days" this week. Students will work to earn a different reward each day. These rewards and activities will be incorporated alongside our Reading, Math, and Science lessons and focus on many of those skills.

Reading: We will be completing several winter-inspired projects throughout the week! We will be reviewing comprehension skills within these projects.

Math: In math, we continue to practice computation daily (addition, subtraction, 2x2 multiplication). We will also review any needed skills throughout the week. We have a few fun projects we will be working on throughout this last week before break!

Grammar & Writing: In writing, we will continue to work on our persuasive writing piece. Students are continuing to support their opinions with evidence. Students will also practice creative writing through the winter projects we will complete.

Vocabulary: We will not study or test over any vocabulary words this week.

Some Notes...

Please note that Thursday will be regular dismissal at 2:25. We will have our early dismissal at 1:25 on Friday.

Each day this week we will have a festive spirit day! Check the schedule to the right for what to wear!

There will be no homework assigned this week.

Winter Break 12/25/17 - 1/5/18. School resumes 1/8/2018.
